

A smart investment in your home...

In both the short and the long term, **highwood**® fence adds value to your home and quality to your lifestyle. Choosing a fence for your property is a significant financial decision and, once installed, isn't easy to change... so why cut-corners? Why compromise?

By choosing **highwood**® fence you are assured of quality product and service... and can rest easy knowing that you just significantly improved the "curb-appeal" of your home.

All caps are interchangeable with all fence colors.

Premium "New England" style caps shown in (from left) sandalwood, weathered cedar & hawthorne.

Luxury metallic-effect caps. Black base with silver vein/red vein upper finish.

Highwood custom/designer colors.

Highwood fence "standard colors" are mahogany, redwood & teak.

Top above: Scalloped flat-top picket style shown in redwood with luxury "red vein" post caps.

Bottom above: Privacy style fence in a commercial application. Shown in coffee with premium sandalwood color caps.
